Cancer of Many Colors is a small organization that believes in supporting the community by helping neighbors in need who are affected by cancer. The 2023 Criscione Golf Tournament celebrates all types of cancer patients in honor and in memory of their journey. Funds raised from the tournament help to support local cancer patients of all ages, ethnicities, genders, and socioeconomic backgrounds, and any cancer diagnosis, including breast, brain, rectal, lung, ovarian, Hodgkin's, colon, and esophageal, among others. These patients often face financial challenges as they struggle to pay for basic needs like rent, utilities, transportation, and food. They are often forced to make difficult choices between receiving treatment that could prolong their life or continuing to work to support their family. By supporting the golf tournament, you can help alleviate some of these financial burdens and make a positive impact on the daily lives of cancer patients.

Thank you for supporting CMC.
